

Welcome to 'Hasta La Vista, Baby!'

Get ready for a cocktail journey like no other, crafted by our creative mastermind and head bartender, Miltos.

Just as intense as the iconic scenes from "Predator," each cocktail is a fusion of drama, excitement and artistry.

This isn't merely a cocktail list. It's an ode to our bold and extravagant roots.

Inspired by the spirits of Mediterranean stars. Those who dared to dream big and reach for the stars.

With a touch of cosmic luck, these creations invite you to embrace life's boldness and authenticity.

So, do you dare to live boldly?

TAKE A  
GAMBLE  
*Baby!*

In case there are too many temptations  
to choose from, let the stars decide  
your next move.

For those bold enough to leave it up to  
fate, we offer the ultimate cocktail  
gamble. Two dice. Twelve cocktails.  
One lucky throw.

Roll the dice and surrender to the  
unknown. Each number reveals a  
handcrafted creation — no swaps, no  
second chances. Just courage, charis-  
ma, and a little cosmic mischief.

Feeling lucky?  
Say ‘**Can I take a gamble?**’ to our team  
and let destiny pour your drink.

It’s written in the stars, baby.  
Take a gamble.
